News from the Board

If you have driven through Downtown Van Alstyne in the past couple of years, you may have noticed a couple of rail cars that have been described as an eye sore to some, but come with a rich history. At this past Thursday's Board Meeting, the Board approved restoration on the Baggage Rail Car and through fundraising, grants and donated funds, we are proud to say "Restoration is in Progress!"

If you or someone you know would like to donate time or funds to helping plan and fund this project which will beautify Downtown Van Alstyne and give tourists another reason to stop off at Exit 51, please contact our office!

will be staying open late, and participating restaurants will be offering a 20% discount off of your meal for the evening! Bring your lawn chairs and blankets and find a good spot to relax, fellowship, and listen to some great music after eating at your favorite Downtown Van Alstyne restaurant!

Summer Downtown Jams will be held on June 18th, July 16th, and August 20th, so mark your calendars and get ready for a great time!
